

YOUR OUTSOURCED AI TRANSFORMATION PARTNER

Focus on your business. Move forward with AI.

For SMEs that see the opportunity in AI but lack the time or dedicated capacity to progress it. SSD helps assess the business, prioritise useful improvements and coordinate agreed delivery with your team.

FLAGSHIP ENGAGEMENT

AI Transformation Blueprint

From S\$8,000 one-off

Typical duration: four weeks

01 / ASSESS

Understand your business

Review objectives, workflows, systems and operational bottlenecks.

02 / PRIORITISE

Choose what matters

Set out viable opportunities, priorities and a practical phased roadmap.

03 / SCOPE

Prepare for delivery

Define implementation requirements, responsibilities and the next steps.

Implementation is quoted separately. The Blueprint fee does not include solution builds.

A plan, followed by accountable progress.

AI transformation partnership: From S\$2,000/month. Monthly scope and capacity are agreed for prioritisation, coordination, adoption support and progress reviews. Substantial builds, third-party costs and routine technical care are quoted separately.
